

April 8, 2024

Dear Tate & Lyle Valued Customer,

Thank you, for your inquiry concerning SPLEND® Sucralose. Sucralose does not contain substances that are prohibited on the World Anti-Doping Agency (WADA) world anti-doping code prohibited list.

SPLEND® Sucralose has not come into contact with any banned/prohibited substance (as listed in the WADA prohibited list) at any time during its production or storage.

Tate & Lyle does not process any substances listed on the World Anti-Doping Agency (WADA) world anti doping code prohibited list.

The above listed Tate & Lyle products do not contain any substances, do not come into contact with any banned/prohibited substance or process any substances that are prohibited on the following:

- Annex A of NSF 306 – Certification Guideline for Athletic Banned Substances
- NFL/NFLPA Banned Substances List
<https://www.nflplayers.com/About-us/Rules--Regulations/Player-Policies/Banned-Substances/>
- World Anti-Doping Agency ("WADA") Prohibited List
<http://www.wada-ama.org/en/World-Anti-Doping-Program/Sports-and-Anti-Doping-Organizations/International-Standards/Prohibited-List/>

Please let me know if you have any questions or require any additional information.

Sincerely,
TATE & LYLE
